### **4. SELECTION PROCESS:**

#### **Participation Criteria**

- 4.1 Nothing in this Policy obliges Athletics New Zealand to select a full contingent of individuals in any particular event regardless of the entry rules set by the local organising committee (LOC). Athletics New Zealand will select/nominate Individual(s)/Team according to the discretionary criteria set out in this Policy as allowed by entry rules for the event being selected for.

#### **Eligibility**

#### **Performance Period**

- 4.3 Athletics New Zealand will follow the performance period set by the (LOC) or at the discretion of the Selectors determine the performance period that is most suitable for the event. The performance period is subject to change upon release of final information from the World Mountain Running Association.

#### **Selection Criteria**

- 4.4 The New Zealand Mountain Running Championships in Motueka on 17 April 2010 will be the selection trial for the New Zealand team to compete in the 2010 World Mountain Running Championships.

- 4.6 The remainder of the team will be selected at the discretion of the selectors.
- 4.7 Notwithstanding the provisions of clause 4.5 and 4.6 and any other provision in these selection criteria, the Selectors have an overriding discretion to select any eligible athlete to a Team or an event if they believe it is in the best interests of Athletics New Zealand to do so. In exercising this discretion the Selectors may consider any other factor or combination of factors that are, in the opinion of the Selectors, relevant to their decision whether to select an athlete under this clause. Without in any way limiting the discretion of the Selectors, the Selectors may consider the following:
- 4.7.1 Potential to be highly competitive at the competition;
  - 4.7.2 Competitive record against other athletes under consideration for selection in the same event;
  - 4.7.3 Consistency of performances during the qualifying period;
  - 4.7.4 History of performances at previous selected individual or team events.

#### Overseas-based Athletes

- 4.8 Athletes residing outside New Zealand may be considered for selection. The selectors will review the current form and previous performances in their deliberations. Overseas based athletes are required to declare their intentions and seek dispensation from the New Zealand Mountain Running Championship 10 days before the national event.

#### After Selection

- 4.9 Athletes selected for the 2010 World Mountain Running Championships are required to confirm fitness in the two months prior to the championship.
- 4.9.1 The fitness standard (if applicable) or some other appropriate performance will be agreed between the athlete and/or coach and the Selectors and Team Manager.
  - 4.9.2 The time frame for all athletes to achieve the fitness standard will be at the discretion of the Selectors and/or Team Manager.
  - 4.9.3 The fitness standard will be communicated to athletes in writing as part of their letter of confirmation of selection/nomination.
  - 4.9.4 Failure by a selected athlete to meet the fitness standard (if applicable) will, at the discretion of the Selectors and/or Team Manager, result in an athlete who has been selected to the team being withdrawn from the competition.
  - 4.9.5 For the purposes of clarity, it is the intended operation of this Policy (if applicable) that **all selections in the team remain conditional** until the athlete has achieved the fitness standard set by the Selectors and/or Team Manager.

### 5. GENERAL INFORMATION:

- 5.1 The criteria may be amended at any time by the Directors of Athletics New Zealand, if Athletics New Zealand is of the opinion that such amendment is necessary in the best interests of Athletics New Zealand or as a result of any change in participation rules and/or guidelines. Any amendment to the criteria will be published on the Athletics New Zealand website.

#### Funding

- 5.2 It will be expected that athletes wishing to attend an event under the Discretionary Policy will have to participate at no-cost to Athletics New Zealand unless funds are provided by the (LOC). The competitions for which athletes are selected/nominated under this policy will be athlete-funded events. Additionally, cost may be charged across all athletes above the cost of travel, accommodation and food to assist with cost of the team manager (if applicable).
- 5.3 In athlete-funded events, two weeks prior to the departure of "the team" from New Zealand all athlete-funding components must be paid to Athletics New Zealand. Non-payment of the athlete-funding components will result in removal from the team.
